Our First Newsletter...

Good morning. It has been an exciting week here at Standing O'Paws. Due to the number of requests from people to join our mailing list our weekly email has been converted to a newsletter and will be posted to the Standing O'Paws website. The newsletter will contain information on our upcoming class schedule, special events and activities, lost or missing dogs, as well as what local rescue groups are in need of. We will still send out an email once a week to inform you when the newsletter is posted to the website so you can keep up to date with all of the activities and events that Standing O'Paws is doing. If there is a special event or information that you would like to share with our readers please pass it along. As long as it fits within the parameters of our newsletter will we be happy to include it.

Board N' Train

Our Board N' Train program has become very popular since February since we began bringing client dogs into our home. We offer a full training program for new clients as well as boarding option for existing clients. Our home can be your dog's home away from home. Please be aware that we only have 2 openings left in 2010 (Oct.18-31 & Nov.29-Dec.12). We are **not** boarding any dogs over Christmas but will be available over New Year's. If you would like to inquire about our Doggy Bootcamp Training or simply want more information on our boarding please contact Jennifer Burns at (559)817-9283. You can also email us at standingopaws@comcast.net.
